PRODUCT CATALOGUE

Innovation, Creativity, Excellence And Customer-Centricity

Faucets • Shower • Accessories

About us

The very reason for our existence is experiment with innovation. It takes an instinct for thinking creatively and for initiating changes and challenging new goals.

We combine style and grace.

A sophisticated designing house and state-of-the-art manufacturing process gives the company a enviable edge. Constant innovation and investment in quality are two distinguishing features that has propelled our company to such heights.

We pride ourselves on being a customer oriented company with an emphasis on quality control and innovation. We have come a long way up in a short span of time only because of the patronage of our customers. Our strength is in the satisfaction of our valuable customers.

100% Factory Tested
